

Activities of the British section 2018/2019

Regional Library in Žilina provides interesting educational experiences for students and teachers. We seek to instil a love of literature and inspire students to become effective readers. All our programmes for pre-schools and primary schools are linked to the library's collection of books.

These programmes are aligned with the primary school curriculum and are designed to complement and enhance classroom learning. Fostering critical thinking and stimulating creativity, our workshops give students the opportunity to put their learning into context and apply classroom-developed skills in practical scenarios.

Bookings are essential for all school visits. For programme information and booking details please email to podujatia@krajskakniznicazilina.sk

Programmes are free of charge.

Maximum number of students is 25 and the duration is cca 30 min.

To encourage an enjoyable and memorable visit, please support your students to maintain the library's quiet atmosphere.

Opening hours: Monday–Friday, 7am–18pm except Wednesdays 11am – 19pm Saturday 9am–13pm Public holiday hours vary; check our website for details.
