

With the world connected through the internet, false information can spread across the globe in less than a minute. A positive way to respond to this serious dilemma is to provide communities with access to real information, written by experts, fact-checked and designed to inform and educate.

The collection of quality resources in **eLibraryUSA** supports academic research, English language learning, knowledge and skill-building.

**eLibraryUSA** is completely free of charge to use in American Spaces.

**eLibraryUSA** is sponsored by the Office of American Spaces, U.S. Department of State, in partnership with the U.S. Embassy.
